Stroke SIG: Increasing Activity After Stroke - Episode 26

In this episode, host Marissa Moran, PT, DPT is joined by **Dr. Elizabeth Thompson, PT, PhD, NCS** and **Dr. Darcy Reisman, PT, PhD, FAPTA** to discuss their article "Increasing Activity After Stroke: A Randomized Controlled Trial of High-Intensity Walking and Step Activity Intervention". This article was published in January 2024 in Stroke. The conversation surrounding capacity vs. performance is continued in this episode.

Article Citation:

Article citation: Thompson ED, Pohlig RT, McCartney KM, et al. Increasing activity after stroke: A randomized controlled trial of high-intensity walking and step activity intervention. Stroke. 2024;55(1):101-109.
doi:10.1161/STROKEAHA.123.044596

Congratulations!

Congratulations to our Stroke SIG ANPT Conference Poster Award Winner!

Congratulations to Dr. Annie Tapp, PT, DPT for being awarded the Stroke SIG ANPT Poster Award. She presented her team's work, titled **"To the Evidence and Beyond! Implementation of High-Intensity Training for Stroke in Inpatient Rehab - Results of an eDeplhi Study"**. Congratulations to Annie and her team!

Be on the lookout for a recording of Annie's poster presentation to find out more about her research!

Check Out the Stroke SIG Student Corner!

The Stroke SIG Student Corner is an excellent platform for students to ask questions related to all things stroke! We have a dedicated team excited to answer questions and create content!

If you are a student who has a question we could address, or a clinician with an idea of content we could create targeted to students, we would love to help! Click [here](#) to access the Stroke SIG Student Corner, where you will find previously developed content and example exam questions, and scroll to the bottom of the page to **ask a question!**

Join Us for our Next Stroke SIG All Members Meeting - PRE-CSM TRIVIA NIGHT!

Thursday, January 9th 2025 from 7:30-8:30 pm EST

Get to know more about the Stroke SIG, participate in a fun stroke-related trivia, and learn more about CSM!
